The Level of Excess That You Prefer

The **excess** is the amount you must pay us towards the cost of any claim you make. If We agree to pay your claim, We will deduct the **excess** from the amount of the claim We will pay to you.

You can select the amount of the **excess** you wish to pay on certain claims when you apply for your **policy**. Your **Certificate of Insurance** will show the **excess(es)** that apply to the cover you select. The higher the **excess** you choose, the lower your premium will be.

Please note:

We may impose an additional **excess** for claims **arising** from some medical conditions. This will be shown on your **Certificate of Insurance** and the letter you receive from us if You have declared any **Pre-Existing Medical Conditions(s)**.

If you are 80 years old (or older) there is an age excess of \$3,000 on any claim arising from, related to or associated with an injury, illness or medical condition.

Additional excesses apply to the **Winter Sports Pack** – view [here](#).

You cannot pay to remove these **excesses**.

The Cost of The Policy

We will advise you of the premium payable for your **policy** when you apply for cover.

It will be based on a number of factors including your travel destination(s), the duration of your **Journey**, the level of cover and **excess** you choose, the number of people covered, your age and any optional extra cover you select.

It will also include some government charges and taxes (for example, GST).

What You're Covered For

This part of the Policy Wording explains:

- The period for which you're covered – [click here](#)
- Circumstances in which you can extend your **policy** – [click here](#)
- What the **policy** covers and does not cover – [click here](#)
- Exclusions and conditions that limit what you're covered for under the **policy**– [click here](#)

The Terms on Cancelling Your Policy

If you decide that you do not want this **policy**, you can cancel it via the [Online Policy Manager](#) or you can contact us. It's important to understand that cancelling your **policy** means that you won't be eligible for any cover, and you won't be able to make any claim under your **policy**. The following cancellation terms apply depending upon the circumstances.

14 Days Cooling-Off Period

You may change your mind about buying this policy within fourteen (14) days of issue of the **Certificate of Insurance** ('cooling-off period') and We will provide a full refund. We must receive your request within the 14 days either in writing or by email. Alternatively, you may log in to your Policy Manager account and cancel your **policy** online.

This cooling-off right does not apply if you have made a claim or if you have started your **Journey**.

Cancellation by You After 14 Days

You can cancel your **policy** after 14 days, and We will refund the amount you paid less the proportion of the premium for the period which you were insured. We will also deduct an administration fee of \$25 from the amount that We refund you.

However, no refund will be provided if you have made a claim, or you have exercised any other right under your **policy**. If you choose to end your **Journey** early, We will not reimburse any premium of any unused portion of your **policy**.

Cancellation by Us

We may cancel this **policy** at any time as allowed by law by notifying You in writing of the date from which cancellation is to take effect. We may only cancel in certain circumstances, including where you have:

- Breached your duty to take reasonable care not to make misrepresentation; or
- Breached a provision of your **policy**; or
- Made a fraudulent claim under any **policy** of insurance.

If We cancel, We will only refund the portion of the premium for your **policy** for the period for which you were not insured. There will be no administration charge where We choose to cancel.

Complaints

If you have any concerns about the **policy** or the insurance services you receive, please refer to the [Complaints Procedures](#) or lodge a [Complaint online](#).

Period For Which You Are Covered

The earliest that cover under the **policy** starts is when We issue you a **Certificate of Insurance**. This confirms the period for which you are insured.

Importantly:

- Cover for [Section 13 - Cancellation Fees & Lost Deposits](#) starts on the date the **Certificate of Insurance** is issued.
- If you need to return **home** during your **Journey** (unless it is a claimable event) cover provided by your **policy** will be suspended from the time you return to your **home** until the time you leave your **home** to continue your **Journey**.

Please note it does not change the end date of your **policy**. Following resumption of your **Journey** your **policy** will remain valid until the end date shown on your **Certificate of Insurance** or your permanent return to your **home**, whichever happens first.

We will not pay any cost in relation to your return to New Zealand (unless these costs are covered by this **policy**) or for your expenses to travel **Overseas** to resume your **Journey**. Any **illness** or **injury** you have developed, show symptoms for, have diagnosed, or treated in New Zealand before you resume your Journey will not be covered in the remaining insurance period, as it will be considered a **pre-existing medical condition** from the time you resume your **Journey**.

- Cover under all other sections starts on the first of the travelling dates shown on your **certificate of insurance**, except for the [Already Overseas](#) plan, where there is no cover under any section for the first 72 hours after commencing your **Journey**. This means there is no cover **Arising** from events that happen within or before this period.
- All cover ends on the earlier of the date you return **home** or the last of the travelling dates shown on your **certificate of insurance**.
- You must purchase your **policy** before you leave your **departure point**, except where you are purchasing the Already Overseas plan.

Circumstances In Which You Can Extend Your Policy

If you decide to travel for longer than the original travel dates stated on your **certificate of insurance**, you can apply to extend your policy via our Online Policy Manager.

You must apply for an extension before Your Policy expires (11:59 PM NZST).

If We agree to extend your **Journey** end date and you pay the additional premium, We will issue you with a new **certificate of insurance**. We will agree to extend your **policy** end date on request unless:

- You have made a claim, or you are aware that You may need to make a claim under Your existing Policy that You have not advised to us; or
- Your age exceeds our [age limit](#) for the selected plan.
- It **Arises** from any **pre-existing medical condition(s)**, which are automatically covered ([click here to view](#)) and you have not been **hospitalised** (including day surgery or emergency department attendance) for that condition(s) in the past 12 months (regardless of whether your **pre-existing medical condition(s)**, was covered under the original **policy**; or
- You have suffered from a new medical condition during the term of the original Policy; or
- You are aged 80 years or over when you request the extension to a Comprehensive Policy; or
- You are aged 75 or over and request an extension to an Essentials or Medical Only policy; or
- You are aged 65 or over and request an extension to an Already Overseas Policy.

The cost of any extensions or amendment are calculated at the current rates for the relevant plan at the time of the extension or amendment.

General Conditions

The following conditions apply to all sections.

Other Insurance

If any loss, damage, or liability covered under this **policy** is covered by other insurance, you must give us details. If you are paid the full amount of your claim under one policy, you cannot make a claim under another policy.

If you are not paid the full amount of your claim under another policy, we will make up the difference provided your claim is covered by the **policy**. We may seek contribution from the other **Insurer**. If we do, you must give us any information or assistance we reasonably need to do so.

Subrogation

If you are aware of any third party that is or may be liable for your loss or damage, you must tell us about them.

We are entitled to and may (at our discretion) seek to recover compensation from any party in respect of anything covered by this **policy**, including bringing legal proceedings. We are entitled to control and settle any such recovery action.

You must provide any assistance and permit all acts and things that we reasonably require to enable us to pursue any such recovery actions even if we have not yet paid your claim or the amount we pay does not fully compensate you for your loss or damage.

Recovery

Any money we recover from a third party under our right of subrogation will be applied in the following order:

1. to us for administration and legal costs **Arising** from the recovery and for an amount equal to the amount we pay you under the **Policy**;
2. to **You** for your uninsured loss (less your **excess**)
3. to **You** for your **Excess**.

Once we have paid your total loss, we will keep any money left over.

If we have paid the full amount of your loss and you later receive a payment from someone else for that loss, you must pay that money to us (but only up to the amount we paid you).

If we pay for lost or damaged property which is later recovered or replaced by a third party, you must repay us the amount we paid for that property.

Business Travellers - GST

If you are entitled to claim an input tax credit in respect of your premium, you must inform us of the amount of that input tax credit (as a percentage) at the time you first make a claim. If you fail to do so, you may incur liability for GST when we pay your claim.

If you are entitled to claim an input tax credit in respect of a cost for which a claim is made, or would be entitled to an input tax credit if you were to incur the relevant cost (i.e. replacing a lost or stolen item), the amount we would otherwise pay will be reduced by the amount of that input tax credit.

Jurisdiction And Choice of Law

This **policy** is governed by and construed in accordance with the law of New Zealand, and you agree to submit to the exclusive jurisdiction of the courts of New Zealand. You agree that it is your intention that this jurisdiction and Choice of Law clause applies.

Making A Claim

This part of the Policy Wording explains what you need to do if you need to make a claim or want to make a complaint.

First Things First

If an event occurs which you think might be covered by the policy, you need to take some action right away:

1. Your claims under Section 1 - Overseas Emergency Medical Assistance, Section 2 - Overseas Emergency Medical and Hospital Expenses, and Section 26 - Emergency Rescue, notify First Assistance as quickly as possible. First Assistance's contact details are on the back cover. In some cases, we may refuse to pay your claim if you don't notify them.
2. You must not admit to anyone that you are at fault for any event. You must not offer or promise to pay any money to anyone or become involved in litigation, without our approval.
3. Report loss or theft of your luggage & personal effects to the police immediately and obtain written evidence of your report.
4. Report damage or misplacement of your luggage & personal effects caused by an airline or other operator or accommodation provider to an appropriate official and obtain a written report, including of any settlement offer they make.
5. Do everything you can to reduce your loss as much as possible.
6. Keep evidence of the value of any property insured or the amount of any loss you sustain- you'll need to provide this to us when you submit your claim.

How To Make A Claim

Step 1 – Submit Your Claim

If **You** need to make a claim on the policy, it is important that you let **Us** know as soon as possible and within 30 days of your return home. Generally, the fastest, most convenient way to submit a non-emergency claim is online. If **You** need to contact us in relation to **Your** claim, You can email us at claims@1cover.co.nz

Online Claim Form
https://www.1cover.co.nz/claims/making-a-claim/

When submitting your claim, make sure you provide us with full information.

If you delay submitting your claim or provide us with insufficient information and we are disadvantaged as a result, we may need to reduce the amount we pay in settlement of your claim.

Step 2 – Provide Supporting Documents

You must give us any information we reasonably ask to support your claim at your expense, such as but not limited to police reports, valuations, detailed repair quote from an authorized repairer, medical reports, original receipts or proof of purchase and ownership. You will need to show evidence for all expenses that you are claiming. If required, we may ask you to provide us with translations into English of any such documents to enable us to consider your claim.

Step 3 – Claim Assessment

We will assess your claim within 10 business days of receiving it, provided we have all necessary information and documentation. If we need additional information, we'll let you know within 10 business days and provide an initial estimate of the timetable and process for making a decision.

Once our assessment is complete, we'll decide whether to accept or deny your claim. If it is denied, we'll let you know in writing and give you our reasons.

Step 4 – Claim Acceptance

If your claim is accepted, we'll pay the amount due to you in New Zealand dollars. We'll pay this to you unless you ask us to pay someone else. Payment will be made by direct credit to a New Zealand bank account nominated by you.

Importantly:

- where applicable, we will apply the rate of currency exchange that was current at the time you incurred an expense.
- depreciation will be applied to claims for **luggage & personal effects** at the rate we determine appropriate.
- if you make a claim against someone else in relation to a loss covered by the **policy** and you do not get paid the full amount of your claim, we'll make up the difference, provided:
 - a) the claim is covered by the **policy**; and
 - b) you claim against the other person first.

Got A Complaint?

If you have any concerns about the **policy** or our services, please refer to our [Complaints Procedures](#).
