Pre-existing Medical Conditions

Because the **policy** does not cover all **pre-existing medical conditions**, you need to make special arrangements with us if you have a **pre-existing medical condition**.

We treat **pre-existing medical conditions** in one of 4 ways:

- **Automatically Covered** – we cover 34 conditions even if you haven't told us about them.
- **Limited Cover** – you are not covered under sections 1, 2, 2A, 3, 3B, 5, 13 or 14 of the policy and you can not purchase these covers. This applies to **chronic** renal failure treated by dialysis, AIDS or you have a terminal or palliative prognosis, require oxygen or are on a transplant waiting list.
- **Compulsory Disclosure and Assessment** – you must tell us about the condition and we will assess whether we can cover it. This applies to heart or lung conditions, cancer, dementia or if you need a full time carer.
- **By Application** – you can apply for cover for the condition and we will assess whether we can cover it.

The **Pre-existing Medical Conditions** Section on page 45 explains which **pre-existing medical conditions** fall within each of these categories and how we assess and insure **pre-existing medical conditions**. Read this carefully if you have a **pre-existing medical condition**, otherwise you might not be covered.

To tell us about a **pre-existing medical condition** or apply for cover for your condition, please provide us with a completed **Pre-existing Medical Declaration form**. You can obtain the form at www.1Cover.co.nz or by calling us on 0800 000 333.

We regret that we cannot offer cover under Sections 1, 2, 2A, 3, 3B, 5, 13 or 14 to **Visitors to New Zealand** and people who are **Already Overseas** in relation to any **pre-existing medical condition**. However, we can cover you under each of the other **policy** sections.

Pregnancy

Pregnant?

If you are naturally pregnant, without fertility treatment, then you are covered at no additional cost up to and including the 24th week of your pregnancy.

If you have had **complications** of this pregnancy, or this pregnancy **arises** from assisted reproduction, you'll need to apply for cover by providing us with a completed **Pre-existing Medical Declaration form**. You can obtain the form at www.1Cover.co.nz or by calling us on 0800 000 333.

The **Pregnancy** section on page 51 explains this in detail. Read this carefully if you are or think you might be pregnant, otherwise you might not be covered.

What Level Of Excess Do I Prefer?

If you make a claim under Sections 2, 2A, 9, 9A, 11, 13, 15, 16 and 19 of the **policy**, we will deduct an **excess** from the amount payable to you.

You can select your **excess** when you apply online (other than for **Domestic** and **Domestic Frequent Traveller** and **Already Overseas**).

What Does The Policy Cost?

We'll tell you the premium payable for your **policy** when you apply for cover. It will be based on a number of factors including your travel destination(s), the length of your **journey**, the level of cover and **excess** you choose, the number of people covered, your age and any optional extra cover you select. It will also include some government charges and taxes (e.g. GST).

Can I Cancel The Policy?

If you change your mind, you can cancel the **policy** within 14 days of the date we issue your **certificate of insurance** and PDS. You'll receive a full refund of your premium as long as you haven't started your **journey** and you haven't and don't want to make a claim on the **policy**.

You can also cancel the policy any time after the 14 days, but if you do, we won't refund any part of your premium.

We regret that we cannot offer you partial refund outside of cooling off period.

Cooling Off Period

If your **journey** has started within the cooling off period then you cannot cancel your **policy** as you are already taking advantage of its awesome benefits.

Complaints

If you have any concerns about the policy or the insurance services you receive, see the **Complaints Procedures** on page 65.

What You're Covered For

This part of the PDS explains:

- The period for which you're covered and the circumstances in which you can extend your **policy**;
- What the **policy** covers; and
- Exclusions and conditions that limit what you're covered for under the **policy**.

Period Of Cover

How Long You're Covered For?

The earliest that cover under the **policy** starts is when we give you a **certificate of insurance**. This confirms the period for which you are insured.

Importantly:

- cover for Section 13 - [Cancellation Fees and Loss of Deposits](#) starts on the date the **certificate of insurance** is issued.
- cover under all other sections starts on the first of the travelling dates shown on your **certificate of insurance**, except for the [Already Overseas](#) plan, where there is no cover under any section for the first 72 hours from commencing your **journey**. This means there is no cover **arising** from events that happen within or before this period. For this plan 'journey' means your travel from the time when the **policy** is issued when you are **overseas** to the time when you return to Australia. The **policy** ends when you arrive at any immigration counter in New Zealand.
- you must purchase your **policy** before you leave your **departure point**.
- [Visitors to New Zealand](#) has a waiting period of 7 days from the purchase date noted on your **certificate of insurance** applies to all claims. This means there is no cover **arising** from events that happen within or before this period.
- all cover ends on the earlier of the date you return **home** or the last of the travelling dates shown on your **certificate of insurance**

Extending Your Policy

You can extend your **policy** free of charge if your return to New Zealand is delayed because:

- a bus line, airline, shipping line or rail authority you are travelling on, or that has accepted your fare or **luggage and personal effects**, is delayed; or
- an event has occurred that we have confirmed is claimable under the **policy**.

If either of these happen, you must tell us about the delay as soon as possible. Your **policy** is not extended until we have agreed to do so.

To extend your **policy** for any other reason, you will need to apply to us at least 7 days before your **policy** expires. We may extend cover for up to 12 months if you pay the additional premium.

To extend your **policy**, call us on (+) 64 9 927 3800 or email us at info@1Cover.co.nz.

If we extend your **policy**, we will issue a new **certificate of insurance**.

We will not extend the **policy**:

- for any **pre-existing medical condition**, unless it is **automatically covered** (see page 47) and you have not been **hospitalised** (including day surgery or emergency department attendance) for that condition in the past 12 months (regardless of whether your **pre-existing medical condition** was covered under the original **policy**); or
- for any condition you suffered during the term of the original **policy**; or
- if you are aged 80 years or over when you request the extension.
- if you are aged 75 or over under [Essentials, Basics, Already Overseas](#) and [Visitors to New Zealand](#) **policies** when you request the extension.
- if you have made a claim or are aware of a possible claim resulting from your original **policy**, but you have not told us about it

What The Policy Covers

The **policy** provides 19 different types of benefits.

Benefits Limits

The [Table of Benefits](#) at page 3-6 shows:

- whether the benefit is included in the level of cover you have selected.
- the maximum amount we will pay for certain types of claims.

Limits On Cover

Although we strive to provide as wide coverage as possible, the **policy** does not cover every circumstance.

The limits on the cover are explained in each section and also in the section entitled **General Exclusions**. Carefully read each of these to understand what you are covered for and what is not insured.

1. Emergency Medical Assistance

All levels of cover except **Domestic** and **Domestic Frequent Traveller**.

You Can Choose Your Own Doctor

You may choose your own **medical adviser** or AAI Australia can appoint an approved **medical adviser** to see you, unless you are treated under a **reciprocal health care agreement**. If you do not get the medical treatment you expect, although AAI Australia can assist you, neither we nor AAI Australia will be liable for anything that results from that treatment.

Emergency Telephone Numbers

Emergency Assistance is provided 24/7, 365 days a year by AAI Australia.

If you are advised that you need medical transfer or evacuation to New Zealand, you or a member of your travelling party **MUST** contact AAI Australia as soon as possible and obtain their prior approval to any expenses.

If you do not contact AAI Australia or follow their guidance, we will not pay any expenses that would have been avoided or minimised if you had followed their guidance.

2. Emergency Medical & Hospital Expenses

All levels of cover other than **Domestic** and **Domestic Frequent Traveller**.

We Will Pay

We will reimburse:

- a) subject to the following, if you **injure** yourself or become **ill overseas**, the **reasonable** medical or **hospital** expenses you incur until you get back to New Zealand.

If you are **hospitalised** or, if you are treated as an outpatient, if the total cost of the treatment will exceed \$2,000, you or a member of your travelling party **MUST** contact AAI Australia as soon as possible and obtain their prior approval to any expenses. If you do not, we will not pay for any expenses that AAI Australia would not have approved or arranged had you sought their prior approval.

- c) if AAI Australia determines that you should return **home** to New Zealand for treatment and you do not agree to do so, we will pay you the amount which we determine would cover your medical expenses and/or related costs had you agreed to AAI Australia's recommendation. You will then be responsible for any ongoing or additional costs relating to or **arising** out of the event for which you have claimed.

We will only pay for medical expenses incurred within 12 months after the **illness** first showed itself or the **injury** happened.

General Conditions

The following conditions apply to all sections.

Other Insurance

If any loss, damage or liability covered under this **policy** is covered by other insurance, you must give us details. If you are paid the full amount of your claim under one **policy**, you cannot make a claim under another **policy**.

If you are not paid the full amount of your claim under another **policy**, we will make up the difference provided your claim is covered by the **policy**. We may seek contribution from the other **insurer**. If we do, you must give us any information or assistance we reasonably need to do so.

Subrogation

If you are aware of any third party that is or may be liable for your loss or damage, you must tell us about them.

We are entitled to and may (at our discretion) seek to recover compensation from any party in respect of anything covered by this policy, including bringing legal proceedings. We are entitled to control and settle any such recovery action.

You must provide any assistance and permit all acts and things that we reasonably require to enable us to pursue any such recovery actions even if we have not yet paid your claim or the amount we pay does not fully compensate you for your loss or damage.

Recovery

Any money we recover from a third party under our right of subrogation will be applied in the following order:

1. to us for our administration and legal costs **arising** from the recovery and for an amount equal to the amount we pay you under the **policy**;
2. to you for your uninsured loss (less your **excess**);
3. to you for your **excess**.

Once we have paid your total loss, we will keep any money left over.

If we have paid the full amount of your loss and you later receive a payment from someone else for that loss, you must pay that money to us (but only up to the amount we paid you).

If we pay for lost or damaged property which is later recovered or replaced by a third party, you must repay us the amount we paid for that property.

Business Travellers - GST

If you are entitled to claim an input tax credit in respect of your premium, you must inform us of the amount of that input tax credit (as a percentage) at the time you first make a claim. If you fail to do so, you may incur liability for GST when we pay your claim.

If you are entitled to claim an input tax credit in respect of a cost for which a claim is made, or would be entitled to an input tax credit if you were to incur the relevant cost (i.e. in replacing a lost or stolen item), the amount we would otherwise pay will be reduced by the amount of that input tax credit.

Jurisdiction And Choice Of Law

The policy is governed by and construed in accordance with the law of New Zealand and you agree to submit to the exclusive jurisdiction of the courts of New Zealand. You agree that it is your intention that this Jurisdiction and Choice of Law clause applies.

Making A Claim

This part of the PDS explains what you need to do if you need to make a claim or want to make a complaint.

First Things First

If an event occurs which you think might be covered by the **policy**, you need to take some action right away:

- a) for claims under **Section 1 - Overseas Emergency Medical Assistance** or **Section 2 - Overseas Emergency Medical and Hospital Expenses** notify AAI Australia as quickly as possible – AAI's contact details are on page the back cover. In some cases, we may refuse to pay your claim if you don't notify them.
- b) you must not admit to anyone that you are at fault for any event. You must not offer or promise to pay any money to anyone or become involved in litigation, without our approval.
- c) report loss or theft of your **luggage and personal effects** to the police immediately and obtain written evidence of your report.
- d) report damage or misplacement of your **luggage and personal effects** caused by an airline or other operator or accommodation provider to an

appropriate official and obtain a written report, including of any settlement offer they make.

- e) do everything you can to reduce your loss as much as possible.
- f) keep evidence of the value of any property insured or the amount of any loss you sustain – you'll need to provide this to us when you submit your claim.

How To Make A Claim

Step 1 - Submit Your Claim

If you need to make a claim on the **policy**, it's important that you let us know as soon as possible and within 30 days of your return **home**. Here's how:

- call us on 0800 367 729.
- email us at claims@1Cover.co.nz

When submitting your claim, make sure you provide us with full information.

If you delay submitting your claim, or provide us with insufficient information and we are disadvantaged as a result, we may need to reduce the amount we pay in settlement of your claim.

Step 2 - Provide Supporting Documents

You must give us any information we reasonably ask for to support your claim at your expense, such as but no limited to police reports, valuations, medical reports, original receipts or proof of purchase and ownership. If required, we may ask you to provide us with translations into English of any such documents to enable us to consider your claim.

Step 3 - Claim Assessment

We will assess your claim within 10 business days of receiving it, provided we have all necessary information and documentation. If we need additional information we'll let you know within 10 business days and provide an initial estimate of the timetable and process for making a decision.

Once our assessment is complete, we'll decide whether to accept or deny your claim. If it is denied we'll let you know in writing and give you our reasons.

Step 4 - Claim Acceptance

If your claim is accepted, we'll pay the amount due to you in New Zealand dollars. We'll pay this to you unless you ask us to pay someone else.

Importantly:

- where applicable, we will apply the rate of currency exchange that was current at the time you incurred an expense.
- depreciation will be applied to claims for **luggage and personal effects** at the rate we determine appropriate.
- if you make a claim against someone else in relation to a loss covered by the **policy** and you do not get paid the full amount of your claim, we'll make up the difference, provided:
 - the claim is covered by the **policy**; and
 - you claim against the other person first.
