29	Bad Weather & Avalanche Closure	\$750
30	Winter Sports Hire Equipment	\$1,500
31	Winter Sports Equipment Excess*	\$750

You must be aged 64 years and under at the time your **policy** is issued to purchase this option.

This additional option does not provide cover for claims under **Permanent Disability** or **Personal Liability** that **arise** from you participating in **winter sports activities**.

A double **excess** applies for all claims under sections **Overseas Emergency Medical & Hospital Expenses**, **Additional Accommodation & Travel Expenses** and **Cancellation Fees & Lost Deposits** if you purchase this option and your claim **arises** directly from you participating in **winter sports activities**. You cannot pay to remove this **excess**.

Rental Vehicle Insurance Excess

Your **policy** automatically provide cover under **section 19- Rental Vehicle Insurance Excess** for all plans, except for **Medical Only**, **Essentials**, **Visitors to New Zealand** and **Already Overseas**. You can increase the benefit level shown in the **table of benefits** by nominating the level of additional cover required from the options we make available to you and paying an additional premium at the time you purchase your **policy**. The amount of additional cover purchased by you will be shown on your **certificate of insurance**.

Pre Existing Medical Conditions

Because the **policy** does not cover all **pre existing medical conditions**, you need to make special arrangements with us if you have certain **pre existing**

**medical conditions.**

We treat **pre existing medical conditions** in two ways:

- **Automatically Covered**- we cover 35 conditions even if you haven't told us about them.
- **Medical Assessment**- you **MUST** declare any other **pre existing medical condition(s)** that are not described in **automatically covered list**, even if you no longer receive treatment for them and you do not require any additional cover.

The **Pre Existing Medical Condition(s)** section on page 37 explains which **pre existing medical condition(s)** fall within each of these categories and how we assess and insure **pre existing medical condition(s)**. Read this carefully if you have **pre existing medical condition(s)**, otherwise you might not be covered.

Please note **Medical Assessment** is only available for New Zealand permanent residents or Citizens.

We regret that we cannot offer cover under sections 1, 2, 2A, 4, 12, 12B, 13 and 14 for the **Visitors to New Zealand** and **Already Overseas** plans in relation to any **pre existing medical condition(s)**. However, we can cover you under each of the other **policy** sections.

Pregnancy

You'll be automatically covered by the **policy** if you have a single foetus pregnancy with no **complications** of up to and inclusive of the 24th week gestation or a multiple pregnancy up to and inclusive of the 19th week gestation.

If you have had **complications** of this pregnancy, you'll need to complete medical assessment.

The **Pregnancy** section on page 39 explains this in detail. Read this carefully if you are or think you might be pregnant, otherwise you might not be covered.

What Level Of Excess Do I Prefer?

If you make a claim under sections 2, 2A, 8, 8A, 10, 12, 12A, 12B, 13, 15, 16, 17, 18, 19, 20, 20A, 21, 22, 23 and 26 to 31 of the **policy**, we will deduct an **excess** from the amount payable to you.

You can choose from a range of **excess(es)** to suit your circumstances (\$0, \$100, \$200, \$250 or \$500). The higher the **excess** you choose, the lower the premium you pay. You can also choose to purchase the **excess** buy out option for an additional premium, in which case your **excess** will be \$0, unless we have specified that a particular excess cannot be removed.

In some circumstances, we may impose an additional **excess** for claims **arising** from some medical conditions. We will inform you in writing if any additional **excess** applies. Additional excesses also apply to the **cruise pack** and **winter sports pack**. You can't remove these **excesses** by adding the **excess** buy out option.

You also cannot remove the **excess** on **Essentials**, **Already Overseas** and **Visitors to New Zealand**.

What Does The Policy Cost?

We'll tell you the premium payable for your **policy** when you apply for cover. It will be based on a number of factors including your travel destination(s), the

duration of your **journey**, the level of cover and **excess** you choose, the number of people covered, your age and any optional extra cover you select. It will also include some government charges and taxes (e.g.GST).

Can I Cancel The Policy?

If you decide that you do not want this **policy**, you will be given a full refund of the premium you paid provided that:

- You cancel within 14 days after you are issued your **certificate of insurance** and PDS;
- You cancel prior to the start of the first of the travel dates shown on your **certificate of insurance**; and
- You do not want to make a claim or to exercise any other right under the **policy**.

You can still cancel your **policy** after 14 days but we will not refund any part of your premium if you do. If you choose to end your **journey** early for any reason, we will not reimburse any premium of any unused portion of your **policy**.

Complaints

If you have any concerns about the **policy** or the insurance services you receive, please refer to the [Complaints Procedures](#) on page 54.

What You're Covered For

This part of the PDS explains:

- The period for which you're covered and the circumstances in which you can extend your **policy**;
- What the **policy** covers; and
- Exclusions and conditions that limit what you're covered for under the **policy**.

Period Of Cover

How Long You're Covered For

The earliest that cover under the **policy** starts is when we issue you a **certificate of insurance**. This confirms the period for which you are insured. Importantly:

- Cover for [section 13-Cancellation Fees & Lost Deposits](#) starts on the date the **certificate of insurance** is issued.
- If you need to return **home** during your **journey** (unless it is a claimable event) cover provided by your **policy** will be suspended from the time you return to your **home** until the time you leave your **home** to continue your **journey**. Please note it does not change the end date of your **policy**. Following resumption of your **journey** your **policy** will remain valid until the end date shown on your **certificate of insurance** or your permanent return to your **home**, whichever happens first. We will not pay any cost in relation to your return to New Zealand (unless these cost are covered by this **policy**) or for your expenses to travel **overseas** to resume your **journey**. Any **illness** or **injury** you have developed, show symptoms for, have

diagnosed or treated in New Zealand before you resume your **journey** will not be covered in the remaining insurance period, as it will be considered as a **pre existing medical condition(s)** from the time you resume your **journey**.

- Cover under all other sections starts on the first of the travelling dates shown on your **certificate of insurance**, except for the **Already Overseas** plan, where there is no cover under any section for the first 72 hours after commencing your **journey**. This means there is no cover **arising** from events that happen within or before this period.
- The **Visitors to New Zealand** plan has a waiting period of 7 days from the purchase date noted on your **certificate of insurance** which applies to all claims. This means there is no cover **arising** from events that happen within or before this period.
- All cover ends on the earlier of the date you return **home** or the last of the travelling dates shown on your **certificate of insurance**.
- You must purchase your **policy** before you leave your **departure point**, except where you are purchasing the **Already Overseas** plan.

Extending Your Journey

If a bus line, airline, shipping line or rail authority you are travelling in is delayed, cancelled or rescheduled by the event that entitled you to make a claim under this **policy**, the insurance is automatically extended beyond the period of the **journey** stated in the **certificate of insurance**. The extension will be valid until you return **home**. Your **policy** is not extended until we have agreed to do so.

This is not an automatically renewable **policy**.

If you decide to extend your **journey** beyond the end date shown on your **certificate of insurance**, you will need to contact us and reapply for a new contract of insurance at least 7 business days before your **policy** expires. If we decide to accept your application, to ensure your continued protection, a new **certificate of insurance** will be issued to take effect immediately upon expiry of your original **policy**. Please make sure you extend your **policy** before it expires (11.59 PM NZST).

To extend your **policy**, call us on + 64 9 927 3800 or email us at info@1cover.co.nz.

We will extend your **policy** unless:

- You have made a claim, or are aware of a possible claim resulting from your original **policy** but you have not advised us of it; or
- It **arises** from any **pre existing medical condition(s)**, which are **automatically covered** (see page 38) and you have not been **hospitalised** (including day surgery or emergency department attendance) for that condition(s) in the past 12 months(regardless of whether your **pre existing medical condition(s)** was covered under the original **policy**); or
- Any condition you suffered during the term of the original **policy**; or
- You are aged 80 years or over when you request the extension; or
- You are aged 75 or over and request an extension to an **Essentials**, **Medical Only**, **Already Overseas** or **Visitors to New Zealand** plan.

Extensions are calculated at the current rates for the relevant plan at the time of the extension.

What The Policy Covers

Benefits limits

The **table of benefits** on page 5 shows:

- Whether the benefit is included in the plan you have selected.
- The maximum amount we will pay for certain types of claims.

You Can Choose Your Own Doctor

General Conditions

The following conditions apply to all sections.

Other Insurance

If any loss, damage or liability covered under this **policy** is covered by other insurance, you must give us details. If you are paid the full amount of your claim under one policy, you cannot make a claim under another policy.

If you are not paid the full amount of your claim under another policy, we will make up the difference provided your claim is covered by the **policy**. We may seek contribution from the other **insurer**. If we do, you must give us any information or assistance we reasonably need to do so.

Subrogation

If you are aware of any third party that is or may be liable for your loss or damage, you must tell us about them.

We are entitled to and may (at our discretion) seek to recover compensation from any party in respect of anything covered by this **policy**, including bringing legal proceedings. We are entitled to control and settle any such recovery action.

You must provide any assistance and permit all acts and things that we reasonably require to enable us to pursue any such recovery actions even if we have not yet paid your claim or the amount we pay does not fully compensate you for your loss or damage.

Recovery

Any money we recover from a third party under our right of subrogation will be applied in the following order:

1. to us for administration and legal costs **arising** from the recovery and for an amount equal to the amount we pay you under the **policy**;
2. to you for your uninsured loss (less your **excess**)
3. to you for your **excess**.

Once we have paid your total loss, we will keep any money left over.

If we have paid the full amount of your loss and you later receive a payment from someone else for that loss, you must pay that money to us (but only up to the amount we paid you).

If we pay for lost or damaged property which is later recovered or replaced by a third party, you must repay us the amount we paid for that property.

Business Travellers- GST

If you are entitled to claim an input tax credit in respect of your premium, you must inform us of the amount of that input tax credit (as a percentage) at the time you first make a claim. If you fail to do so, you may incur liability for GST when we pay your claim.

If you are entitled to claim an input tax credit in respect of a cost for which a claim is made, or would be entitled to an input tax credit if you were to incur the relevant cost (i.e. replacing a lost or stolen item), the amount we would otherwise pay will be reduced by the amount of that input tax credit.

Jurisdiction And Choice Of Law

This **policy** is governed by and construed in accordance with the law of New Zealand and you agree to submit to the exclusive jurisdiction of the courts of New Zealand. You agree that it is your intention that this jurisdiction and Choice of Law clause applies.

- c) report loss or theft of your **luggage & personal effects** to the police immediately and obtain written evidence of your report.
- d) report damage or misplacement of your **luggage & personal effects** caused by an airline or other operator or accommodation provider to an appropriate official and obtain a written report, including of any settlement offer they make.
- e) do everything you can to reduce your loss as much as possible.

Step 2- Provide Supporting Documents

You must give us any information we reasonably ask to support your claim at your expense, such as but not limited to police reports, valuations, detailed repair quote from an authorised repairer, medical reports, original receipts or proof of purchase and ownership. You will need to show evidence for all expenses that you are claiming. If required, we may ask you to provide us with translations into English of any such documents to enable us to consider your claim.

Step 3- Claim Assessment

We will assess your claim within 10 business days of receiving it, provided we have all necessary information and documentation. If we need additional information we'll let you know within 10 business days and provide an initial estimate of the timetable and process for making a decision. Once our assessment is complete, we'll decide whether to accept or deny your claim. If it is denied we'll let you know in writing and give you our reasons.

Step 4- Claim Acceptance

If your claim is accepted, we'll pay the amount due to you in New Zealand dollars. We'll pay this to you unless you ask us to pay someone else. Payment will be made by direct credit to a New Zealand bank account nominated by you.

- where applicable, we will apply the rate of currency exchange that was current at the time you incurred an expense.
- depreciation will be applied to claims for **luggage & personal effects** at the rate we determine appropriate.
