Understanding Your Policy And Its Important Terms And Conditions

To properly understand this policy’s significant features, benefits and risks you need to carefully read:

• “How to Purchase This Policy” (pages 7 to 11) - this contains important information on who can purchase the policy, age limits and the choice of plans and cover types available to you;

• the benefit limits provided under each plan in the “Table of Benefits” pages 12 to 20, when We will pay a claim under each Section applicable to the cover you choose (“Your Policy Cover” pages 39 to 60), any endorsements under “Additional Options” page 21 and “Pre-existing Medical Conditions” pages 22 to 30 (remember, certain words have special meanings – see “Words
With Special Meanings” pages 36 to 38);

• “Important Matters” (pages 31 to 35) - this contains important information on applicable Excesses, the period of cover and extensions of cover, the cooling-off period, Allianz Global Assistance’s privacy notice and dispute resolution process, when you can choose your own doctor, when you should contact Allianz Global Assistance concerning 24 hour medical assistance, overseas hospitalisation or medical evacuation, and more;

• when We will not pay a claim under each Section applicable to the cover you choose (“Your Policy Cover” pages 39 to 60) and “General Exclusions Applicable To All Sections” pages 61 to 63 (which provides details of the general exclusions that apply to all covers and benefits); and

• “Claims” (pages 64 to 66) - this sets out important information about how we will pay claims. It also sets out certain obligations that you and we have. If you do not meet them we may refuse to pay a claim.

Applying For Cover

When you apply for the policy, we will confirm with you things such as the period of cover, your premium, what cover options and Excess will apply, and whether any standard terms are to be varied (this may be by way of an endorsement). These details will be recorded on the Certificate of Insurance issued to you. This Policy Wording sets out the cover we are able to provide you with. You need to decide if the benefit limits, type and level of cover are appropriate for you and will cover your potential loss.

If you have any queries, want further information about the policy or want to confirm a transaction, please use the contact details on the back cover of this Policy Wording.

Your Duty Of Disclosure

When you apply for insurance or alter this policy, you have a duty at law, to disclose to us all material facts. You must disclose all material facts to us as soon as you become aware of them. A material fact is one that may influence a prudent insurer in deciding whether or not to accept the cover and, if so, on what terms and conditions and for what premium.

Examples of information you may need to disclose include:

• anything that increases the risk of an insurance claim;
• any criminal conviction not protected by the Criminal Convictions (Clean Slate) Act 2004;
• if another insurer has cancelled or refused to insure or renew insurance, has imposed special terms, or refused any claim;
• any insurance claim or loss made or suffered in the past.

These examples are a guide only. If there is any doubt as to whether a particular piece of information needs to be disclosed, this should be referred to us.
Non-Disclosure
If you fail to comply with your duty of disclosure, we are entitled to avoid this policy retrospectively from the beginning. You will not be insured under this policy at all.

About Your Premium
You will be told the premium payable for the policy when you apply. It is based on a number of factors such as your destination(s), length of Journey, number of persons covered, your age, Pre-existing Medical Conditions, the plan and any additional options selected. The higher the risk, the higher the premium is. Your premium also includes amounts that take into account our obligation to pay any relevant compulsory government charges, taxes or levies (e.g., GST) in relation to your policy. These amounts are included in your Certificate of Insurance as part of the total premium.

Cooling-Off Period
If you decide that you do not want this policy, you may cancel it within 14 days after you are issued your Certificate of Insurance and Policy Wording, and you will be given a full refund of the premium you paid, provided you have not started your Journey or you do not want to make a claim or to exercise any other right under the policy. After this period you can still cancel your policy but we will not refund any part of your premium if you do.

Who Is Your Insurer?
This policy is underwritten by Allianz Australia Insurance Limited ABN 15 000 122 850 (Incorporated in Australia) trading as Allianz New Zealand, Level 1, 152 Fanshawe Street, Auckland 1010.

Who Is Allianz Global Assistance?
Allianz Global Assistance is a trading name of AGA Assistance Australia Pty Ltd ABN 52 097 227 177 (Incorporated in Australia). Allianz Global Assistance has been authorised by Allianz to enter into and arrange the policy and deal with and settle any claims under it, as the agent of Allianz, not as your agent. Allianz Global Assistance acts under a binder which means that it can do these things as if it were the insurer. It administers all emergency assistance services and benefits of this insurance. You may contact Allianz Global Assistance in an emergency 24 hours a day, 7 days a week.

Change Of Circumstances
During the period of insurance, you must tell us immediately of any material change in the circumstances surrounding the subject matter of this insurance that:

- increase the risk we are insuring, or
- alter the nature of the risk we are insuring.

Once you have told us, we may immediately change the terms of this policy, or cancel it. If you fail to tell us, we may apply these changes retrospectively from the date you ought to have reasonably told us.

Claims Are Payable In New Zealand Dollars To You

We will pay all claims in New Zealand dollars. We will pay you unless you tell us to pay someone else. The rate of currency exchange that will apply is the rate at the time you incurred the expense.

You Must Not Admit Fault Or Liability

In relation to any claim under this policy you must not admit that you are at fault, and you must not offer or promise to pay any money, or become involved in litigation, without Allianz Global Assistance’s approval.

Depreciation

Depreciation will be applied to claims for Luggage and Personal Effects at such rates as reasonably determined by Allianz Global Assistance.
You Must Help Us To Recover Any Money We Have Paid

If we have a claim against someone in relation to the money we have to pay under this policy, you must do everything you can to help us do that in legal proceedings. If you are aware of any third party that you or we may recover money from, you must inform Allianz Global Assistance of such third party.

If You Can Claim From Anyone Else, We will Only Make Up The Difference

If you can make a claim against someone in relation to a loss or expense covered under this policy and you do not get paid the full amount of your claim, we will make up the difference. You must claim from them first.

Other Insurance

If any loss, damage or liability covered under this policy is covered by another insurance policy, you must give us details. We will only make any payment under this policy once the other insurance policy is exhausted.

If we have paid your claim in full first, we may seek contribution from your other insurer. You must give Allianz Global Assistance any information they reasonably ask for to help us make a claim from your other insurer.

Subrogation

Allianz Global Assistance may, at their discretion, undertake in your name and on your behalf, control and settlement of proceedings for our own benefit, to recover compensation or secure indemnity from any party in respect of anything covered by this policy.

You are to assist and permit to be done, all acts and things as required by Allianz Global Assistance for the purpose of recovering compensation or securing indemnity from other parties to which we may become entitled or subrogated, upon us paying your claim under this policy regardless of whether we have yet paid your claim and whether or not the amount we pay you is less than full compensation for your loss. These rights exist regardless of whether your claim is paid under a non-indemnity or an indemnity clause of this policy.

Recovery

Allianz Global Assistance will apply any money they recover from someone else under a right of subrogation in the following order:

1. to Allianz Global Assistance, their administration and legal costs arising from the recovery
2. to us, an amount equal to the amount that we paid to you under the policy
3. to you, your uninsured loss (less your Excess)
4. to you, your Excess

Once we pay your total loss we will keep all money left over. If we
have paid your total loss and you receive a payment from someone else for that loss or damage, you must pay us the amount of that payment up to the amount of the claim we paid you.

If we pay you for lost or damaged property and you later recover the property or it is replaced by a third party, you must pay us the amount of the claim we paid you.

**Fraud**

Insurance fraud places additional costs on honest policyholders. Fraudulent claims force insurance premiums to rise.

We encourage the community to assist in the prevention of insurance fraud. You can help by reporting insurance fraud by calling Allianz Global Assistance on +61 7 3305 8871. All information will be treated as confidential and protected to the full extent under law.
The internet is a great source of health information for travellers. For vaccination and health advice including information on disease outbreaks:

Before Travel, Consult Your Health Professional To Discuss:

- Itinerary
- Duration of travel
- Style of travel
- Past medical history
- Pregnancy
- Allergies
- Pre-existing Conditions
- Vaccination requirements
- Disease prevention
- Medication (ensure that any medications taken with you are legal in the country you will visit – make sure you carry a letter of approval from your doctor/dentist for any essential medication you need to take with you)

Tips For Long Distance Travellers

- While travelling, regularly exercise the lower limbs to encourage blood flow
- Drink plenty of non-alcoholic drinks to prevent dehydration

Other Useful Tips

- Carry a small first-aid kit with you containing a packet of adhesive dressings, some insect repellent, antiseptic cream and water sterilisation tablets (this takes up little space and could be useful). Emergency medical travel kits are available.
- Unless you know the water you are using is safe (bottled water usually is), sterilise all drinking water either by boiling or using sterilisation tablets
- It is unwise to have your skin pierced (ie. acupuncture, tattooing, ear piercing, etc.) unless you can be sure that the equipment used is sterile – a needle wiped with an alcohol swab is not necessarily sterile. Keep a note on your person advising of any significant medical condition affecting you (eg. diabetes, angina pectoris, haemophilia).
